

FOR IMMEDIATE RELEASE  
CAPC Announces New Events Manager

Mike Maloney, Executive Director of the Eureka Springs City Advertising and Promotions Commission, announced this week Dori Thomas has joined the CAPC staff in the position of Events Manager.

Maloney stated, "We are extremely pleased to have an individual with Dori's depth in the special events world both in public and private venues on our staff. She brings a deep background in entertainment booking, events management from all phases to an expert grasp of financial responsibility to the table.

"We are fortunate that she has been in the Eureka Springs area for a while with her family so she knows the footprint of Eureka Springs and has an understanding of the community first hand. She's going to be a tremendous asset to the CAPC and the City of Eureka Springs."

Prior to moving to Eureka Springs, Thomas's past experience includes the Marketing Manager of the Franklin County CVB in Ottawa, Kansas and Event Coordinator at Hall Center for the Humanities at the University of Kansas.

"I am super excited to put my 20 plus years of event experience to good use for our fun town," says Thomas. "I truly enjoy being a contributing part of the community."
